

10-6-10

To: United States Bankruptcy court.

Subject: Omnibus Motion to Dismiss.

I, Floyd A. Janczewski hereby object to Motions Liquidation to expense certain Compensation and welfare Benefits.

I retired 2-1-92 with 28.6 yrs of service. my life insurance was \$77,000.00. reduced to \$4,073 at age 75. I was paying \$4.19 per month for CMEP, till my wife died.

On 12-17-1992 a workers compensation hearing was held and the results state that GM stated I was to receive pension benefits and other pension benefits vested under my contract. Therefor I ask the court to honor Motions Liquidation Company to honor the Courts settlement, for \$1,122.60.

Thank you

Floyd A. Janczewski

P.S. Enclosed are copies of retirement and workers comp settlement.

An employee intending to retire must sign a letter of intent describing the type of retirement being applied for and the effective date. Under the current Salaried Retirement Plan (6-90), intent forms are used for early voluntary and normal retirements. Window programs and special incentive separations, if available, have forms specifically designed for that offering.

Required Form(s): Letter of Intent T+PD APPROVED
Window Agreement
Incentive Separation Agreement

REVIEW OF RETIREMENT BENEFIT

An employee intending to retire must sign the SRP - 117, which describes and authorizes payment of retirement benefits. In addition, each employee must sign form SRP - 117A, which states the conditions being placed on the payment of benefits. This could include a wage limitation up to age 62. If a wage limitation is imposed, the employee must also sign form SRP - 117A (DA), which authorizes GM to receive FICA taxable wage information from the Social Security Administration to audit for wage limitation compliance.

Required Form(s): SRP - 117
SRP - 117A
SRP - 117A (DA), if wage limitation

Basic Group Life Insurance:

Continuing paid up life insurance is provided for employees who retire either:

1. Early Voluntary, age 55-60, 85 points
2. Early Voluntary, 30 years credited service
3. Special or Window, over 10 years credited service
4. Normal, age 65
5. Total and Permanent, over 10 years credited service

During active employment, the basic policy equals 24 times monthly base salary. Once retired, the amount will decrease by 2% the first month and a like amount each subsequent month, until the amount equals (1.5% times original basic) times credited service. Total and Permanent retirees begin reduction at age 65. GM pays the full cost of this policy.

Base (3205) X 24 = Current Basic.....\$ 77,600 (A)

Credited Service X 1.5% = Reduction Rate..... .4425 (B)

Fully reduced Amount (estimate) = A times B..\$ 34,073

Basic hospital, surgical, medical, prescription drug, hearing:
Generally, GM will pay the full cost of HSMHP coverages for retirees with over 10 years of credited service. Exceptions:
1. Deferred Retirements
2. Voluntary Retirements (age 55 - 60) under 85 points, retiree any pay for health coverages

Sponsored dependents may be continued after retirement with deductions from the retirement check. Note : retirees cannot add new dependents after retirement to GM paid health coverages, they may add sponsored dependents at their own expense.

Retirees are eligible to elect health care coverages annually under the ICP for the area they reside in. A small number of HMO plans do require a small premium. Changes in coverage are allowed mid-year for relocation to an area not serviced by the current plan.

Medicare: Enrollment through Social Security is voluntary, although adviseable for the retiree. Enrolled retirees are reimbursed through special insurance payment. Surviving spouses must be enrolled in medicare, if eligible, in order to be given corporate paid health coverage.

Dental Coverage:
Under the current salaried program, the retiree and eligible dependents will be eligible for coverage. Annual ICP provides option elections.

Vision Coverage:
Under the current salaried program, the retiree and eligible dependents will be eligible for coverage. While there is no ICP option for vision, some HMO's include vision care.

*** SALARIED HEALTH PROGRAMS ARE SUBJECT TO MODIFICATION BY THE CORPORATION. CHANGES WILL GENERALLY AFFECT THE SALARY GROUP INCLUDING ACTIVE, RETIREES AND SURVIVING SPOUSES.

Comprehensive Medical Expense Plan (CMEP):
Coverage may be continued in retirement. Enrollment at any time requires a six month waiting period. Premiums are deducted from pension benefit. Current rates are:
